# 2. How to link Linxura with SmartWings. Step 1:

Make sure your SmartWings device is set up in the SmartWings app and functioning properly. Make sure Linxura, Linxura app, SmartWings are connected to same Wi-Fi network.

## Step 2:

Open your Linxura app and then select the Linxura you want to bind with SmartWings.

## Step 3: Choose a button.

Step 4:

Click 'Select platform'.

## Step 5:

Select 'SmartWings' option.
